

Speaker 1

Mr Brodin, your IKEA products have been unsustainable and polluting our planet just so you can claim the money benefits.

Speaker 2

Boom landfill filler.

You have the power to change this.

Speaker 1

Boom landfill filler.

Open your eyes to the reality of your company.

Speaker 2

Boom landfill filler. You are creating furniture that only lasts for a few years.

Speaker 1

Boom. Landfill filler. Don't you want to save the planet a little while making longer lasting products?
